

StarCruises Partners Again with Tung Wah Group of Hospitals for Charity Voyage Aboard Star Voyager.

A Journey of Joy: Over 20 Underprivileged Families Embark on Their First-Ever Sea Voyage

Nearly 30 children from Tung Wah Group of Hospitals celebrated their 'Little Dreamers' graduation aboard Star Voyager, proudly receiving certificates from the ship's Captain during a special ceremony.

18 July 2025 (Hong Kong) – In conjunction with the current homeport deployment of the **Star Voyager** in Hong Kong, **StarCruises**, part of **StarDream Cruises**, is pleased to **renew its collaboration with the Tung Wah Group of Hospitals**. Building on their successful 2023 Corporate Social Responsibility (CSR) partnership, this year's summer charity cruise **welcomes over 20 underprivileged families, comprising more than 60 guests**. They will **set sail from the conveniently located Ocean Terminal for a memorable 3 Day / 2 Night cruise to Kaohsiung**.

“As part of our ongoing CSR initiatives in the communities where we homeport and visit, we are pleased to once again collaborate with the Tung Wah Group of Hospitals in Hong Kong,” said Michael Goh, President of StarDream Cruises. “This meaningful cruise journey aims to bring joy and lasting memories to families in need. Cruise travel is more than a leisure experience - it also helps children broaden their horizons and gain valuable life knowledge.”

Both adults and children really enjoy the activities on the cruise. One of the participants from Tung Wah Group of Hospitals, Ms. Chong expressed her happiness at the opportunity for her daughter to learn how to wear a life jacket, and it was a rare chance to be a little steward and tour the palace guest rooms. She was truly delighted!

An Educational and Entertaining Charity Initiative

This special CSR initiative offers children of all ages from the Tung Wah Group of Hospitals a unique opportunity to learn and have fun aboard the ship. The “Summer Voyage” features the

interactive “Little Dreamers” experience, where children discover dining etiquette, shipboard knowledge and life jacket safety through hands-on activities and guided tours. In the “Little Captain” session, young participants step into the role of ship officers to explore basic nautical skills and safety procedures. Meanwhile, the “Little Butler” workshop lets children experience hospitality firsthand by learning dining etiquette and service techniques.

Enjoying a Sea Vacation and Exploring Kaohsiung's Charm

For many of the underprivileged families, this was their first-ever cruise experience. The *Star Voyager* sailed to Kaohsiung, where guests explored cultural highlights such as the Pier-2 Art Center and Cijin Old Street, immersing themselves in the charm of this vibrant port city. Back on board, families enjoyed a wealth of entertainment and dining options, creating precious bonding moments and discovering new experiences from ship to shore.

Star Voyager Facilities and Entertainment

Underprivileged families under the care of the Tung Wah Group of Hospitals also had the opportunity to enjoy first-hand the many family-friendly facilities on board the *Star Voyager*, including:

- **Dining Experience:** A wide selection of authentic Asian and international flavours, including Hong Kong specialties and a generous international buffet. The ship features 15 distinctive restaurants and bars, with specialty venues offering sushi and classic cuisine.
