Dream Cruises Guest Notice
Update: Genting Dream Fuel Surcharge

Dear Valued Guest,

Due to recent geopolitical developments in the Middle East, **oil prices have increased significantly, leading to higher fuel and related costs for the Genting Dream.**

As a result, a **fuel surcharge will be introduced for new bookings made on or after 20 March 2026.** This surcharge is determined based on the operating requirements of each ship and itinerary; and may therefore vary across our fleet.

For Genting Dream sailings departing from Singapore and her neighbouring homeports, **a fuel surcharge of SGD 15 per guest, per night (applicable to guests aged 2 years and above) will apply. The total fuel surcharge will be automatically added to the guest's onboard account for settlement prior to disembarkation.**

This surcharge will be reviewed in line with fuel price movements and may be adjusted downward if prices ease or revised for new bookings should prices continue to rise.

We appreciate your understanding as this measure allows us to continue operating our sailings while maintaining the quality of service and experience our guests expect.

Thank you for your continued support and we look forward to welcoming you onboard.

Warm regards

Dream Cruises Team
