[Singapore, 26 March 2026] — **StarDream Cruises** continues to elevate cruising across Asia with a wide range of experiences across its **StarCruises** and **Dream Cruises** brands. With over 30 years of experience in Asia, the cruise line offers a series of **2 to 5 Night itineraries** to **more than 50 destinations across Southeast Asia and East Asia**, including sought-after ports in Japan and South Korea.

As an international cruise line with the most ships sailing across Asia — including the flagship **Genting Dream** under **Dream Cruises**, as well as **Star Navigator** and **Star Voyager** under **StarCruises** — travellers can enjoy the convenience of embarking from various Asian cities and choosing from a wide variety of itineraries.

With each sailing, entertainment takes centre stage with a vibrant lineup of themed experiences, international productions and regionally inspired performances. In celebration of **Dream Cruises' 10th anniversary** this year, guests can look forward to special onboard highlights and festive experiences, alongside exciting new acts including **K-pop group KIIRAS**, **Amotti** from *Physical: 100*, and **Chef Tommie Lee (aka French Papa)** from *Culinary Class Wars Season 2*. Adding to the celebration lineup, **Forever Broadway** — a collaboration with Broadway Asia International, conceived in New York's iconic Broadway, the world's most celebrated stage for musical theatre — will debut on *Genting Dream* in June 2026.

“With over three decades of experience in Asia, we understand the region and what our guests value most when they travel. Today, we sail to more than 50 destinations across Asia, connecting guests to a wide range of places and experiences beyond the ship. We are also committed to bringing multiple destinations within reach, enabling guests to experience different countries and

cultures, while supporting the local economies and tourism growth of the ports we visit,” said **Michael Goh, President of StarDream Cruises.**

He continues to add *“At the same time, we are not defined by a single theme — we bring together a dynamic mix of international entertainment, culturally inspired programmes and diverse onboard offerings to deliver well-rounded journeys for guests of all ages.”*

Onboard dining remains a cornerstone of the journey, with **a wide variety of international cuisines alongside authentic Asian and comfort favourites.** Backed by years of experience, the team is especially attuned to Asian flavours, delivering dishes that resonate with regional tastes. StarDream Cruises is also proud to be among the **first in Asia to offer certified halal and vegetarian/Jain options,** allowing more travellers to enjoy cruising with confidence and ease.

Across both the StarCruises and Dream Cruises brands, guests can further elevate their experience with **The Palace — an exclusive “ship within a ship” concept featuring luxurious suites,** including Penthouses to Villas. Positioned as a premium tier experience, The Palace offers a comprehensive suite of inclusions and privileges — from dedicated spaces and priority services to European-style butler service complemented by warm Asian hospitality — delivering greater comfort, privacy and personalised attention throughout the voyage, allowing guests to make the most of the value and experience.
