Dream Cruises Guest Notice
Singapore & Malaysia (Port Klang & Melaka) Departures:
Reintroduction of Fuel Surcharge for Genting Dream

Dear Valued Guest,

Due to renewed tensions in the Middle East, fuel oil prices have remained elevated, resulting in higher related operating costs.

In view of this, we will have to reintroduce a fuel surcharge at a **reduced rate of SG\$10 per guest, per night**, compared with the previous surcharge of SG\$15 introduced earlier this year. The fuel surcharge will apply to **new bookings made on or after 1 October 2026** for sailings aboard **Genting Dream**.

For departures from Singapore, Port Klang or Melaka, the fuel surcharge will apply to guests aged 2 years and above. The total fuel surcharge will be automatically added to the guest's onboard account and is payable prior to disembarkation.

The fuel surcharge will be reviewed in line with fuel price movements and may be adjusted should fuel prices ease or continue to rise.

We appreciate your understanding as this measure helps us continue to maintain the quality of service and onboard experience that our guests have come to expect.

Thank you for your continued support, and we look forward to welcoming you onboard.

Warm regards

Dream Cruises Team
