

23 June 2026

**StarCruises Guest Notice**  
**Star Navigator Fuel Surcharge Reduced**

Dear Valued Guest,

We are pleased to announce a **50% reduction in the fuel surcharge for Star Navigator sailings departing from Keelung**, following the easing of global fuel prices.

**Effective for *Star Navigator* sailings departing from Keelung on or after 26 June 2026, the fuel surcharge will be reduced from NTD 600 to NTD 300 per guest, per night (applicable to guests aged 2 years and above).** The surcharge will continue to be automatically added to guests' onboard accounts for settlement prior to disembarkation.

We will continue to monitor fuel price movements and review the surcharge accordingly. Should conditions continue to improve and return to normal levels, further adjustments may be made.

Thank you for your continued support, and we look forward to welcoming you onboard.

Warm regards,  
**StarCruises Team**
