StarCruises Guest Notice
Hong Kong Departures: Star Voyager Fuel Surcharge Reduced

Dear Valued Guest,

We are pleased to announce a **50% reduction in the fuel surcharge for Star Voyager's upcoming sailings departing from Hong Kong**, following the easing of global fuel prices.

Effective for Star Voyager sailings departing from Hong Kong on or after 3 July 2026, the fuel surcharge will be reduced from HKD 200 to HKD 100 per guest, per night (applicable to guests aged 2 years and above). The surcharge will continue to be automatically added to guests' onboard accounts for settlement prior to disembarkation.

We will continue to monitor fuel price movements and review the surcharge accordingly. Should conditions continue to improve and return to normal levels, further adjustments may be made.

Thank you for your continued support, and we look forward to welcoming you onboard.

Warm regards
StarCruises Team
