**Star Navigator**  
**Guest Update: Naha Arrival Cancelled on 25 June 2026 (Thursday)**

Dear Valued Guests,

On behalf of StarCruises and all of us aboard **Star Navigator**, we hope you are enjoying your cruise so far.

We would like to share an important update regarding our voyage.

**In view of the forecasted adverse weather conditions in the region due to the movement of Typhoon Mekkhala, we regret to inform you that our call to Naha on 25 June 2026 (Thursday) has been cancelled. This decision has been made to ensure the safety and comfort of our guests and crew, maintain safe navigation, and facilitate our scheduled return to Keelung on 26 June 2026 (Friday)**

We understand this **cancellation** may be disappointing and sincerely appreciate your kind understanding.

**Star Navigator will instead continue cruising at sea for the remainder of the day.** To enhance your onboard experience, additional activities and upgraded menus at our complimentary restaurants have been arranged for your enjoyment.

Below is the updated cruise itinerary for your reference:
